3:48:56 PM	Long Winded SOB 770871071	We infiltrated a group in DFW and shut them down. They turned over all of the merch that they produced. Bunch of III%ers.

It's that simple. We're not changing our fucking mission. We're not going to DC to identify people who wore a fucking shirt that triggers you. If you don't like it fuck off, seriously.</i></p>

8:36:53 PM	Aaron Of The Bloody East 668358826	Our disposition towards the police needs to be reevaluated
8:37:17 PM	Johnny Blackbeard 759787552	Not sure what to do about it thought because it would be an escalation that we would never be able to back away from
8:38:38 PM	Aaron Of The Bloody East 668358826	I see it as an inevitability.
8:39:54 PM	Johnny Blackbeard 759787552	Very true. I'm ready for the escalation but i worry about some of our guys.
8:40:09 PM	Aaron Of The Bloody East 668358826	We can/should start adopting black bloc style tactics. Not necessarily all black like Antifa, but we should make an effort to hide our identities when in public
8:40:17 PM	Johnny Blackbeard 759787552	We could have ran them the fuck over in DC and they wouldn't have been able to do shit

1:11:13 AM	JoeBiggs	Watching videos by the mainstream media tonight. You know. Looking over coverage of our event. Every single outlet made it seem to the American people we stabbed 4 people. No we got stabbed. We also whooped their asses. The media lies. And as the media lies and the masses believe. Out country dies. BLM burnt cites to the Ground and we took a Sign from a piece of plywood and burn it and now it's being labeled a crime. How about antifa hunting down and killing trump supporters. Zero. Zip. Silence. We will not stand by. We will not come comply. We will rise. We will defeat evil. We are the proud boys.
1:12:13 AM	JoeBiggs	[Echo]
1:14:23 AM	JoeBiggs	Antifa talked shit all week and got busted up. We came in and had them running. They fear us. They should. We well stand against evil. We will fight for the family. Our women. Our children. Our country but most of all. God. This is country founded on Christianity and it will always be a Christian nation. No matter of Marxism will bring us down. Now while air is still in my Lungs. Amen.
1:24:41 AM	JoeBiggs	
1:25:28 AM	JoeBiggs	The time is now. Will you submit. Obey and kneel. Or will you stand with us and fight back. We are the future. We are 1776.

9:22:12 AM	Johnny Blackbeard 759787552	I don't think there ever was really a plan. I know I had no input if there was. We were caught off guard for sure.
9:23:20 AM	Noble Beard The Immortal 1261651524	Lmfao
9:23:55 AM	Noble Beard The Immortal 1261651524	There was definitely not enough planning for this rally. We were busy trying to set this thing up.
9:24:30 AM	YutYut Cowabunga 586406520	Well for starters there was only like 20 MOSD guys even there
9:24:38 AM	YutYut Cowabunga 586406520	Everybody bailed

9:36:04 AM	YutYut Cowabunga 586406520	I'm not sure if that's possible
9:37:45 AM	Twisted Zack 585158078	It is very possible. Just need time to plan
9:43:31 AM	Johnny Blackbeard 759787552	We will have to get ourselves in order though or dudes are going to stop coming out
9:54:01 AM	Captain Trump 454128414	Thats depressing to read after everything that went on yesterday
9:55:17 AM	Johnny Blackbeard 759787552	<div></div> <p><i>Yeah, you know, the normies, they stopped 25% of the way in. That fucking building should still be occupied right now. They should have cops stuck inside that building. They should– they took it. They were there, they were in. But instead they decided to run around and take a bunch of fucking selifes. And, you know, steal some memorabilia to prove that they were in there so that their conviction is assured. And, they just, they stopped 25% of the way in. Because it’s clear to me at this point, the American people, the, you know, air-quotes “patriots,” they’re looking for somebody to save them still. They want us to do it for them. And Proud Boys can’t bear this burden. It’s too big for us alone. We needed them to step up, and all they gave us was 25% of a measure. And now they’re all back home and, uh, yesterday’s events are gonna be used to smash us in ways we couldn’t even imagine. It’s just-- I don’t even know, man. At this point I’m getting ready to get together with my guys and talk about how we’re gonna proceed when all of this shit comes down. Because it is coming down.</i></p>
